### VICE PRESIDENTS MESSAGE

#### WELCOME BACK

On behalf of the executive board of the Brookhaven Town Fire Police Association, I would like to welcome you back to IN-PERSON meetings. Special Thank you to the Middle Island FD for their hospitality. We look forward to a productive year at the BHTFPA; a year of meetings, trainings, camaraderie and SAFETY.

Our President, Bill Mullane, and the Executive board continue to remain in contact with each other, keeping the best interest of the society, its members and its member organizations. We are in contact with and are working with local legislators, local associations and societies, and other Fire Police Associations to ensure we continue to operate in your best interest.

At this time, due to current limitations on venues, and the ever-changing variants, we will be hosting in-person bi-monthly until further notice and will be planning our annual Brunch for April 2023.

The Training department is seeking **Interested and qualified training officers** to assist the association in keeping our membership up-to-date and to ensure the safety of our members. The goal for 2022 is **SAFETY- SAFETY- SAFETY**. As a director with the Fire-EMS Safety Officers Association of NYS, I feel safety is the most important part of every scene, every response. We will be offering several safety programs throughout the year. Including an opportunity for all members to become certified as Incident Safety Officers. We will also be offering the annual refresher and continuing our meeting training briefs. If you are interested in becoming an instructor – contact me.

We will continue to keep doing our best to ensure the success of this Association. We thank you for your support, your membership and your dedication to the Fire Police and the Fire Service. We ask that you continue to do your best to stay safe, respond safely and be part of the solution to this pandemic.

Captains and Lieutenants – please send me an email with your updated information Name, phone number and email address so that we can set up for meetings in the near future and to share information, and visit our website at [WWW.BROOKHAVENTOWNFIREPOLICE.COM](http://WWW.BROOKHAVENTOWNFIREPOLICE.COM)

Be safe, be Alert, and always be prepared.

Firematically,

*Ryan*
